Good Morning Jennifer and Yu-Ting,

I'm attaching two documents for you. We have provided these to Ms. Augirre. For situational awareness, the letter proposed for the R10 ECAD Director's signature has been reviewed by both OECA and David Fotouhi.

Thank you,

*Mathew J. Martinson, P.E., BCEE*

CAPT, USPHS

Chief, Permitting, Drinking Water and Infrastructure Branch

U.S. EPA, Region 10

**Subject:** FYI - Briefing Request Lower Umatilla Basin Groundwater Management Area

Good morning,

I just scheduled a meeting for the afternoon of June 4. After seeing the letter (attachment 1), Anna asked Region 10 to provide her an informational/awareness brief. Region 10 prepared the meeting request and briefing document, and will lead the briefing. I asked Anna if any HQ support was expected, and she said no. OGWDW, OECA, and OGC contacts are optional invitees.

Let me know if you have any questions or concerns. I also haven't decided what will be attached to the invitation, though Anna has the material via email.

Thank you,  
Janita
